Re: Errata to Memo Re: Fast-Track Resolution

We are submitting an Errata to the Memorandum re: Fast Track Resolution in Pre-MUR 470, [redacted] (National Republican Congressional Committee). [redacted]

However, the recommendation to open a MUR was omitted from the recommendations on page 2. See Pre-MUR 480 / MUR 6203 (Itinere).

We have attached replacement pages 2 and 3 of the Memorandum to reflect this change. We are also amending the "close the file" recommendation to clarify that it applies to [redacted] the new MUR [redacted]. These revisions have no impact on the analysis set forth in the Memorandum.
